

Flush-mounted Hinged, Recessed Handle.

- Zinc die with or without lock and opening angle about 60° or 80°.
- A low overall depth!
- Horizontal and vertical application.
- The vibration proof construction makes it possible to use this flush-mounted handle also in special areas such as road vehicles and railcars / wagons.
- Unauthorized activation of the recessed hinged handle is prevented by an integrated safety Quarter-Turn, which is operated by means of a fastener key. This security feature is enhanced by the flush construction, which also prevents accumulation of dirt due to the completely closed housing surface.
- Weight 510g  
Material properties on request.

**Material:**

- **Hinged, recessed handle:** zinc die, chrome plated or black coated

Hinge recessed handle, chrome plated	Opening angle	
	60°	80°
with lock	213-9101.00-00060	213-9101.00-00080
without lock	213-9001.00-00060	213-9001.00-00080
<b>Hinge recessed handle, black coated</b>		
with lock	213-9102.00-00060	213-9102.00-00080
without lock	213-9002.00-00060	213-9002.00-00080
