Technical Spezifications:

Description	Value
Projection	Standard Line, 90°
Output power	3mW
Wavelength	635nm
Diameter	20mm
Length	128mm
Focus	1.000mm
Power supply	5-30VDC
Operating mode	APC
Connection	Standard M12x1 plug, 4pole
Working temperature	0°C to +50°C
Storage temperature	-10°C to +70°C
Housing	M18 industry housing, brass nickel plated
Protection class	IP67
Laser class	1M
Warranty	24 months
Optics	Lg90
